What We're Learning

News From the Nest

This week at school learned all about fairy tales. During circle time we discussed what it means for a story to be "make believe". We also talked about all of the different parts a fairy tale story has in it, including characters, scenes, and other details we often see in so many of the stories. With each story we read, when we were finished, we used picture cards to help us retell the stories. The kids did such a great job with this!

In centers this week we played dress up, used stickers to make our own fairy tale scenes, and practiced recognizing and naming our numbers by rolling dice and then placing beans on a troll bridge to complete it.

Some of our fine motor crafts included making pigs/wolves, a fire-breathing dragon, and we recreated a scene from Jack & the Beanstalk.

Stories this week included: There Was an Old Lady Who Swallowed a Dragon, The 3 Little Pigs, Jack & the Beanstalk, and Little Red Riding Hood.

Next week we will be learning about dinosaurs. Our letter of the week will be "T". When it is your child's show & share day, please have them bring in an item that begins with this letter.
