January 2<sup>nd</sup> – 5<sup>th</sup>

We had an awesome week!

This week we started talking about winter and how cold it can be outside this time of year.

We continued learning about winter by making winter trees, melted snowmen, and winter mittens.

During centers, we had fun playing in our new January hot chocolate sensory bin. We also enjoyed playing in our new snowman center where we had to use our fine motor skills to fill up the snowmen using pom poms and marshmallows.

On Wednesday, Miss Ilia and Charlotte came by to play in our centers with us. The kiddos were very excited to see them!

On Friday, Miss Carly came by to read and make a special winter craft with us. The kiddos always love when she comes in for a visit.

Some of the stories we read this week were:

Winter Friends, Sneezy the Snowman, The Mitten, Whose Prints, and One Snowy Day.

This month we will be learning about the color blue and the rectangle shape.
