

Hoots & Hollers

Week of January 6th to January 10th

What We're Learning

News From the Nest

This week at school we continued talking about winter weather and what kinds of clothing we wear during this cold time of year

Some of our fine motor crafts included making winter mittens and hats using crayons, winter-themed stickers, and cotton balls. We also made snowflakes during rest time with blue construction paper and tissue paper.

On Monday, Miss Katie came in and sang songs with us about snow, snow men, and winter.

During Social Skills on Tuesday, Miss Renee made a list of goals for each kiddo to work on throughout the new year. They were excited to chat with her about things they could do to help.

Miss Bonnie visited our class on Thursday this week for Art! We made awesome sculptures with pipe cleaners and beads. The kiddos can't wait for you to see them during the art show in the spring.

Our letter of the week was "K". On Wednesday, we used stickers with koalas on them to decorate our letter papers. We also made a kite out of the letter. During our second circle, we talked about the sound the letter makes. We counted how many letter "K" words were in our song of the week. Ask your kiddo if they remember how many words there were!

Stories this week included:

One Mitten, I See Winter, Under My Hood I Wear a Hat, and What Do You See in Winter?

Next week we will be learning about arctic animals. Our letter of the week will be "L". When it is your child's show & share day, they can bring in something that begins with this letter.

Upcoming Events

Monday, January 20th
Martin Luther King Jr. Day, NO SCHOOL

Friday, January 31st
Hawaiian Day

Reminders

As the weather is getting colder, please remember to send in with your child a jacket, hats, gloves, and boots (if you would like) for when we go outside. You may also want to send in a sweatshirt as it can get chilly in the building.
