

Pre-K Awesome News

May 13th-17th

This Week

We had a great week learning more about the letters 'M' and 'N'. This week we practiced our letter cheers for both letters and read the stories Monkey's Miserable Monday and The Nicest Newt. We had fun singing along to our letter sound songs and StoryBots for each of the letters. We also learned about the number 19.

Throughout the week we learned about the life cycle of frogs. We learned that frogs, like butterflies, go through metamorphosis. The frogs change from eggs, to tadpoles, to froglets and then into adult frogs. It was fun dancing and moving our bodies around like frogs going through their life cycle.

During Music class, Miss Katie came in to sing and dance with us as we learned about frogs and other animals that live in the swamp. We loved listening to her book, Widemouthed Bullfrog.

This week we had a special field trip to Sidway Elementary. On Wednesday, we were picked up by the 'big kid' bus and taken for a tour of the school the kiddos will be going to for kindergarten. We had a blast walking around the school and seeing all the fun places we will get to learn. We had the chance to stop into a few classrooms, the gym, the nurse, the library, the art room and even the cafeteria! The kiddos did a great job and looked just like they belonged walking those hallways with the kindergarteners and first graders.

Looking Ahead

May 23rd

Art Show Ice Cream
Social Fundraiser
6pm-7:30pm

NO AFTER SCHOOL

May 27th

Memorial Day
No School

Next Week

Next week we will
be learning about
plants and jungle
animals.
