Week of April 22nd to April 26th

What We're Learning

News From the Nest

This week at school we wrapped up talking about fairy tales, dragons, and make believe. During circle time each day, we continued to discuss the parts of the story that were real versus the parts of the story that were make-believe (pretend). We also took a look at specific fairy tales this week, including: Jack and the Beanstalk, Humpty Dumpty, Mother Bruce, and Hickory Dickory Dock.

On Monday, Miss Katie visited our classroom to sing and dance with us. She brought the parachute, and we took turns being above the parachute and shaking it, and then being under the parachute. It was so much fun! She also brought soft, squishy, mini earth balls that we tossed, rolled, and bounced to each other while singing a song about taking care of the earth.

Some of our fine motor crafts this week included: making an umbrella out of the letter "U", sponge painting an earth with a heart in the center, painting wolves and pigs out of paper plates, creating our own Jack and the beanstalk masterpiece, and a Humpty Dumpty puzzle that we tried to put back together with band aids.

During centers this week we played a new game with one of our favorite characters (Olaf) from the movie Frozen! We also practiced our numbers when we were unlocking treasure chests and putting in the correct number of treasure pieces to match the outside of the chest.

Next week we will be learning about zoo animals! Our letter of the week will be "V". When it is your child's show & share day, please have them bring in an item that begins with this letter.
