

Pre-K 2 Newsletter

February 5th – 9th

We had a great week!

This week was dental health week. We talked all about taking care of our teeth and going to the dentist!

On Monday, Miss Chelsea, a dental hygienist, came in during morning circle time to teach us how to take care of our teeth. We learned that we need to brush our teeth in a circular motion at least twice a day to get rid of any sugar bugs.

For our fine motor crafts this week, we made tooth monsters and mouths with mini marshmallows for the teeth. We also practiced flossing using legs, play doh, and yarn.

On Tuesday, Miss Fran came in for Social Skills to make sensory bags with us. The kiddos loved it!

On Wednesday, when Miss Ilia and Charlotte came in, we got to celebrate Charlotte's birthday! Miss Ilia gave everyone a birthday hat to wear while we sang Happy Birthday to Charlotte who also had a special birthday hat on.

Some of the stories we read this week were: Clark the Shark Tooth Trouble, The Tooth Book, Brush, Brush, Brush, Teeth are not for Biting, and Dora the Explorer Show Me Your Smile!

This month we will be learning about the color purple and the heart shape.
