### What we're learning...

This week we started learning about Christmas, the color green and triangles! We colored light up gingerbread houses, decorated gingerbread men for the classroom and made stockings to hang on our classroom fireplace!

Miss Katie came on Monday for Music Class. We learned a new song about primary and secondary colors!

Miss Kayla came on Thursday for Acro. We did the Santa freeze dance and practiced our somersaults! Everyone is getting so good at them! Our field trip on Friday to Kelly's Country Store was so much fun! We got to meet Santa!
