We had an awesome week!

This week we continued talking about nature! We have been having so much fun learning about things we might find in the woods.

During circle, we read the story, We're Going On A Leaf Hunt. After our story, we pretended we were in the story going on an actual leaf hunt.

The kiddos did an awesome job!

For our fine motor crafts this week, we made fall trees and leaf prints using sponges to paint. We also painted using pinecones, pom poms and Q-tips.

We introduced a new game called, "Elefun" during centers this week. In this game, we tried catching butterflies with nets as they flew out of an elephant's trunk. Everyone had a blast trying to catch as many butterflies as they could before they were all gone!

Miss Katie came in for Music this week. The kiddos had fun learning a new Thanksgiving song called, "Five Disco Turkeys".

Some of the stories we read this week were: There Was An Old Lady Who Swallowed Some Leaves, Never Touch The Porcupines, Count Down to Fall, We're Going on a Leaf Hunt, and Through the Forest in Fall.

This month we will be learning about the color brown and the square shape.
