

Pre-K 2 Newsletter

March 11th – March 15th

We had a great week!

This week we talked all about St. Patrick's Day!

During our fine motor craft time, the kiddos did a great job making clover crowns, rainbows with pots of gold, four leaf clovers, and shamrock necklaces.

On Monday, Miss Katie came in for Music. We had fun dancing and singing along to "The Shamrock Shake", "Five Wee Leprechauns" and "Trying To Catch A Leprechaun".

On Wednesday, with Miss Ilia and Charlotte we played a rainbow counting puzzle game. The kiddos did a great job counting all the coins!

Next week we will be talking about all the different jobs there are in our community.

Some of the stories we read this week were:

Ten Lucky Leprechauns, Pete the Cat
The Great Leprechaun Chase, Three Ways to Trap a Leprechaun, It's St. Patrick's Day Dear Dragon, and The Night Before St. Patrick's Day.

This month we will be learning about the color green and the diamond shape.
