

April 1st-5th

Pre-K Awesome News

This Week

This week we learned more about the letters 'A' and 'B'. Throughout the week we learned new sound songs for each letter and read The Adventures of Abby Alligator and Bubble Bear. On Friday, we had fun playing with our new Plinko board to help us sorted our 'A' and 'B' picture cards. This week we also learned about the number 13.

During circle time we began our adventure back in time to visit the dinosaurs! Throughout the week we learned new songs about different types of dinosaurs and even dragons! During our craft time we had fun using different shaped pasta/noodles to make our own "noodle-saurs" and worked together to make salt-doh to make dinosaur fossil prints.

This week during Social Skills, Miss Fran read us the story Dragons Love Tacos. After the story she taught us how to make tacos. We had fun mixing together all the ingredients and getting to decided what we wanted in our own taco bowl for lunch! The kiddos loved making and eating their own lunch! For a craft we made our own unique dragons that are flying around our classroom.

During free time and centers we had fun exploring our new jungle room and playing with the new toys. We had big feasts in the kitchen dressed as kings and queens, rode around on dinosaurs, played in our sand pit with dinosaur fossils, and even worked together to paint our own castle and dinosaurs for a new center!

Looking Ahead

April 8th

Solar Eclipse
Half Day of School
12pm Dismissal

May 3rd

Zoo Field Trip
No After School

Next Week

Next week we will be learning about dinosaurs, fairy tales and The Three Little Pigs.
