Week of June 10<sup>th</sup> to June 14<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we practiced for Moving Up Day! Everyone is so excited for our big day! We have all been working very hard.

During our center time this week, we played with cars as we drove them through mountains of shaving cream, painted with legos, and used the water table!

On Monday, we celebrated all of our dads in class! We hope that everyone enjoyed the songs, story, and gifts that the kiddos worked so hard on for all of you. Thank you to all of the dads (and moms) who were able to make it!

Some of the stories we read this week included: Summer Days & Nights, Maisy Learns to Swim, Mouse's 1<sup>st</sup> Summer, Froggy's Lemonade Stand, and Miranda's Beach Day.

On Thursday, we had our last Acro class for the year with Miss Kayla. It was a nice day outside, so we were able to play, tumble, and dance outside, which is our favorite thing to do!

There will be no show & share next week. Thank you all for your participation and effort throughout the school year, It has been such a great year and we have loved every day!
