

# News From The Twos!

## This Week

On Monday and Tuesday, we learned about fire safety, fire trucks and firemen! We even practiced a fire drill at school. We also learned how to stop, drop and roll if our clothes ever catch on fire. On Wednesday, we had a visit from the Grand Island Fire Department. The kiddos had a chance to explore the fire truck and sit inside. They also had the opportunity to spray the water hose! It was so much fun!

This week we have also continued incorporating the color red into most of our activities. We learned about circles and did a circle scavenger hunt on the playground. We made chalk circles in the parking lot and painted circles using different size cups and toilet paper rolls.

Miss Kayla came on Thursday to teach us somersaults and log rolls. We also danced to a bunch of Halloween songs!
