## We had a great week!

This week we started to talk about jungle animals! We learned that some of the different animals that live in the jungle are elephants, lions, alligators, snakes, parrots, tigers, and monkeys.

For crafts, we made elephants, jungle animal spinners, snakes, and parrots. The kiddos are working so hard and are enjoying making all our crafts.

On Monday, Miss Katie came in for Music. The kiddos were excited to play with the parachute she brought in. We also had fun rolling, throwing, and kicking the mini earth balls back and forth to each other to celebrate Earth Day.

On Thursday, Miss Kayla came in for Acro. The kiddos did a great job this week with their tumbles. Miss Kayla gave them two stamps for having great listening ears.

On Friday, Miss Fran came in for Social Skills. The kiddos were excited to play with all the jungle animals she brought in. We always love when she comes in to visit.

Some of the stories we read this week were: Elmer, The Jungle Run, Hide and Snake, Jungle Animals, The Earth Book, and If You Were a Parrot.

This month we will be learning about the color yellow, and the oval shape.
