Week of March 18<sup>th</sup> to March 22<sup>nd</sup>

## What We're Learning

### News From the Nest

This week at school we continued to talk about helpers in our community and the jobs that they do.

On Monday, Miss Katie couldn't come in for Music class, but that didn't stop us from singing, dancing, and playing with bubbles in our birdie nests just like she does when she is here! The kiddo's had a great time with this! We also had a special visit from Nora's mom who came in and talked to us about her job at Northtown Auto.

On Tuesday, we watched a video about a man named Captain Seasalt who went on a quest to find items that began with the letter "Q". For our letter of the week craft, we made queens with fancy jewels on their crowns.

During our center time on Wednesday, Gabby's mom came into our class to talk to us about being a librarian. She brought her scanner from the library and all of the kids were able to check out books like they were a real librarian just like she is!

On Thursday, both Miss Bonnie and Miss Kayla came in to play with us. During Art, we painted with trucks and made really cool tracks all over our papers. Miss Kayla helped us continue working on our gross motor skills as we rolled, tumbled, and danced.

To conclude our week, Gabby's dad came in and talked to us about his job at National Fuel. He showed us how the gas comes from the machine, to the pipe, and then into our house. The kids loved seeing the hands-on way that this occurs.

Some of the books we read this week included: [Delivering Mail](#), [What Will I Be?](#), [I Want to Be a Nurse](#), [Firefighter](#), and [Peppa Loves to Bake](#).

Next week we will be talking about Easter. There will be no new letter next week, we will just review letters we have already worked on. On your child's show & share day, they may bring in an item of their choosing.
