

# Pre-K 2 Newsletter

April 15<sup>th</sup> – 19<sup>th</sup>

We had an awesome week!

This week was all about about dinosaurs! We talked about all the different kinds of dinosaurs there were. We learned that some walk with 4 legs, some with just 2 legs, and some dinosaurs could fly.

We had a blast making different dinosaur crafts this week. We made a pinecone dinosaur, a dinosaur egg, a dinosaur crown, and a paper bag dinosaur.

On Monday, during Music, Miss Katie brought out her animal eggs. The kiddos were excited to guess which animal was going to hatch out of them..

On Thursday, for Acro, Miss Kayla taught us a new dance called the “Elmo Slide”. The kiddos did a great job!

Some of the stories we read this week were:

Roar, Dancing Dinos Go to School, Springtime with the Dino’s, How Do Dinosaurs Go to Sleep, Dinosaur Dance, and Groovy Joe Ice Cream & Dinosaurs.

This month we will be learning about the color yellow, and the oval shape.

## Reminders

May 3<sup>rd</sup>  
Zoo Field Trip  
No After School

May 9<sup>th</sup>  
Mother’s Day  
Party

May 27<sup>th</sup>  
Memorial Day  
No School
