

# Hoots & Hollers

Week of May 20<sup>th</sup> to 24<sup>th</sup>

## What We're Learning

### News From the Nest

This week at school we finished talking about life cycles, wrapping up with the stages and parts of a flower. During circle time this week we went over each part of the flower.

On Monday, Miss Katie came into our class and sang with us. We sang a song about riding our bicycle and the safety of wearing a helmet. We also did our most requested favorite, "Fire Truck".

With the nice weather this week, we took advantage of being outside. We played with the parachute, played "Mr. Fox", and even did Acro with Miss Kayla on Thursday!

This week was very exciting as all 5 of our caterpillars emerged from their chrysalis and became butterflies! We will watch them throughout next week as they eat and grow strong before we release them.

Some of the stories we read this week were: Planting a Rainbow, I Can Grow a Flower, Plant Cycles, Roots, and Budding Flowers, Breezy Days.

During our fine motor craft time we made flowers with a play-doh center, used tissue paper to decorate our own flowers, and practiced cutting around the outside of a paper plate to make flower petals.

Next week we will talk about Father's Day coming up, the letter "Z", and begin talking about summer weather.

Our letter of the week will be "Z". When it is your child's show & share day, please have them bring in an item that begins with this letter.

### Upcoming Events

**Monday, May 27<sup>th</sup>**  
**Memorial Day Holiday-NO SCHOOL**

**Tuesday, May 28<sup>th</sup>**  
**Final Parent-Teacher Conference**

**Monday, June 10<sup>th</sup>**  
**Father's Day Celebration,**  
**2:15pm**

**Tuesday, June 18<sup>th</sup>**  
**Moving Up Day Celebration**  
**6:30pm**

### Reminders

Going forward, please make sure your child has all their weather appropriate gear necessary to go outside each day they are at school. Please make sure all items are clearly labeled.
