October 10th -13th

We had a great week!

It was a short but fun week!

This week we continued talking about the farm and all the animals we saw on our field trip to Kelkenberg Farm. We also talked about fire safety.

In centers we enjoyed using our felt pieces to build Old MacDonalds Farm on our felt board .

We also colored barns then glued on farm animals.

For our fine motor craft, the kiddos had fun making chickens, tractors and a big red fire truck. Everyone did a great job!

On Tuesday, we celebrated our first birthday. Happy Birthday to Aspen!!

On Wednesday, Miss Ilia and Charlotte came in to visit. The kiddos were excited to tell her everything they saw at the farm. We also had fun playing puzzles with Charlotte!

On Thursday, Miss Kayla came by to dance and tumble with us. The kiddos were excited to learn a new song called, "Halloween Freeze Dance."

Some of the stories we read this week were: Chickens to the Rescue, Big Tractor, Big Red Barn, Fire Engine No. 9, Pete the Cat, Firefighter Pete, and Chief Rhino to the Rescue.

This month we will be learning about the color orange and the triangle shape.
