Pre-K 4 Awesome News!

This Week

We had an unbelievable week learning about the letter 'U'. This week we learned that the letter 'U' makes two sounds; a long sound and a short sound. Throughout the week we practiced making both sounds by sorting pictures from our sound box, singing along with the StoryBots and completing the Letter 'U' Starfall!

This week we started learning about Thanksgiving and turkeys. We learned that most people eat turkey on Thanksgiving which makes the turkeys want to run away and hide. We read many stories about turkeys and the tricks they played to not get eaten on Thanksgiving Day. Some of the stories were; A Spot at Thanksgiving, The Great Turkey Race, and The Plump and Perky Turkey. During craft time we made a 3D turkey center piece and painted our own turkeys using forks to stamp the feathers.

During Art Class this week, Miss Bonnie taught us all about Pop Art. She showed us famous Pop Art by Andy Warhol of soup cans and Mickey Mouse! After we learned how he made his Pop Art we had the chance to create our own. We used brightly colored papers and paint to make patterns that really popped off the page! We then painted our hands black and made hand prints to go on top! Next class we will be cutting and glueing together these awesome collages!

During our center time we had fun exploring in the camping center, building with blocks, racing cars down the car hill, playing Playdoh and cooking in the kitchen.

Looking Ahead

November 27th
No After School

November 28th
Thanksgiving
No School

November 29th
No School

December 6th
Kelly's Country
Story Field Trip
