

Pre-K 2 Newsletter

October 16th – 20th

We had an awesome week!

This week we started talking about fall and how the leaves on the trees turn colors during this season.

We learned that some of the colors they can change to are brown, red, yellow and orange.

In centers we enjoyed playing with all the pumpkins and fall colored leaves in our sensory table. We also had fun playing with our weeble tree house and racing cars down our big car ramp.

For our fine motor craft, the kiddos had a blast making candy corn, fall trees and leaves. We also had fun stamping our pumpkins orange using legos.

On Monday, Miss Katie came in for Music. The kiddos were excited to dance and sing to the Halloween sing-along book called The Shy Little Monster.

During Social Skills, we played the games Whack A Mole and Fright Chick. The kiddos had a blast and did an awesome job taking turns!

On Thursday, Miss Kayla came by for Arco. She taught us two new Halloween dances called "Hey You Crows" and "Creepy Crawly Spider".

The kiddos had so much fun!

Some of the stories we read this week were: Candy Corn, Leaves, Leaf Man, Pumpkin Cat, and We're Going on a Pumpkin Hunt.

This month we will be learning about the color orange and the triangle shape.

Reminder

October 31st
Halloween Party

November 10th
No School
