

Hoots & Hollers

Week of September 30th to October 4th

What We're Learning

News From the Nest

This week at school we talked about the changing weather and new season that is upon us: Fall. Each day during circle we talked about the things that we were seeing outside (more windy, cloudy days, colder temperatures, rainy days, etc). We also talked about all of the colors we see in fall: lots of reds, yellows, greens, oranges, and browns.

Some of the stories we read this week included: Hedgehogs: Hide and Squeak, Fall is Time for School, A Very Big Fall, Leaves, Red Leaf Yellow Leaf, It's Fall, Fall Colors, and Bears Don't Share.

During our fine motor craft time this week we went on a leaf hunt on the playground and afterwards, came back inside and created beautiful, realistic fall trees. We also made fall hedgehogs by stamp painting with forks as well as a leaf portrait using all the colors of fall (red, yellow, green, and orange).

On Monday, Miss Katie came in to sing and dance with us. The kiddos love when she brings Rocky and Jazz into our classroom to sing along!

In Social Skills this week, Miss Renee taught us a phrase to help state how we are feeling. We practiced saying, "I feel (i.e. sad, happy, angry). We went through different scenarios and talked about how each would make us feel and why. We also finished our book about emotions. The kiddos were so proud of their completed books!

On Friday, Miss Carly came to visit and read us several stories about the Fall and Halloween. We even made a cute Halloween craft!

Next week we will be talking about Fire Safety!

Upcoming Events

Wednesday, October 9th
Fire Department Presentation
10:00am

Monday, October 14th
Columbus Day
NO SCHOOL

Tuesday, October 15th
Book Orders Due

Reminders

As the weather is getting cooler, please remember to send in with your child a light jacket or sweatshirt as we will still be going outside as much as possible throughout the week! ☺
