

Hoots & Hollers

Week of March 25TH to March 29th

What We're Learning

News From the Nest

This week at school we talked all about Easter and the Easter bunny! Even though it was a short week, we made sure to jam pack it full of fun and activities that everyone enjoyed.

On Monday, we made bird feeders in the shape of an Easter egg. Together as a class, we added each ingredient and mixed it all up until it was ready. Later in centers, we shaped the bird seed into the eggs. When we came into school the next day, the eggs were ready to be hung outside on the tree!

Miss Fran came into our class during centers on Tuesday and colored Easter eggs with us. Each kiddo was able to do two kinds of eggs: one egg was dyed with food coloring and vinegar and the other was decorated with a marker machine. We all had so much fun! We also had a visit from Dick Crawford who works for the Town of Grand Island Highway Department. He came in and talked to us about his job and even brought a cool truck for us to see!

To end our fun week, on Thursday, we taste-tested three different colors of Peeps. When we were finished, we talked about how each one looked, smelled, felt, sounded, and tasted.

Some of the books we read this week included: Easter Eggs Everywhere, The Great Eggscapade, The Case of the Missing Easter Bunny, and The Unbreakable Egg.

Next week when we return to school on Tuesday, we will be talking about spring. Our letter of the week will be "R". When it is your child's show & share day, please have them bring in an item that begins with this letter.

Upcoming Events

Monday, April 1st
Easter Monday
NO SCHOOL

Monday, April 8th
Eclipse Day
Half Day of School
Dismissal at 12:00pm
(NO LUNCH WILL BE SERVED)

Reminders

Going forward, please make sure your child has all their weather appropriate gear necessary to go outside each day they are at school. Please make sure all items are clearly labeled.
