

Hoots & Hollers

Week of June 3rd to June 7th

What We're Learning

News From the Nest

This week at school we learned about summer! We also continued practicing for our upcoming Father's Day celebration and graduation.

Each day of the week we talked about things we do in summertime, what the temperature feels like/how the weather is, and what we see (bugs/insects, sunshine, etc).

During our fine motor center time we made ice cream cones using puffy paint, popsicles out of tissue paper, we painted beach balls using q-tips, and made spring trees using felt leaves.

Some of the stories we read this week included: Now it is Summer, Do Turtles Like Ice Cream?, Beach Day, Sometimes Popsicles Break, and Summer Song.

On Tuesday, Miss Fran came into our classroom for Social Skills and played an ice cream game with us in our centers. She also taught us the song, "Listen to the Water". In the song, we acted out all of the actions. They loved this song so much, we did it three times!

There will be no more new letters of the week, so when it is your child's show & share day, they may bring in any item that they would like.

Upcoming Events

Monday, June 10th
Father's Day Celebration,
2:15pm

Tuesday, June 18th
Moving Up Day Celebration
6:30pm
NO AFTER SCHOOL

Wednesday, June 19th
