

Pre-K 2 Newsletter

September 25th – 29th

We had a great week!

This week we had fun using our fine motor skills by stacking beads one at a time onto wooden poles to make tall towers. At our sensory table, the kiddos really enjoyed digging in all the sand to uncover hidden dinosaurs. We also had a blast racing trains around the awesome train track we built.

For craft time this week, we made ladybugs. First, we painted our plates red then glued on our head, eyes, black spots and antennas. We also had fun by making Clifford the big red dog and using toilet paper rolls to stamp red circles on our apples.

During Music on Monday, Miss Katie taught us a new color song called “Moving on the Green”. The kiddos did a great job!

On Thursday, Miss Kayla came by to dance and tumble with us. The kiddos were excited to dance to a new song called “Animal Rap.”

Some of the stories we read this week were Ladybug, Clifford The Big Red Dog, Apples A to Z, That’s (Not) Mine, Princesses Love To Share!, and Fox Makes Friends.

Next month we will be learning about the color orange and the triangle shape.

Reminders

October 5th
Fire Truck Visit

October 6th
Field Trip

October 9th
No School
