Pre-K 4 Awesome News!

This Week

We had an amazingly colorful week! Throughout the week, we learned about many different colors and celebrated each of them on their own day. During circle time we listened to songs that taught us how to spell each of the colors and what things were those colors. We loved learning how to spell! Throughout the week we even learned about emotions that went with each color and how to identify them in ourselves and others.

This week Miss Fran joined us for our Social Skills class. During her story time she read Little Blue Little Yellow. In the story, Little Blue and Little Yellow hug each other and turn green. After the story, Miss Fran taught us how to make our own Play-Doh. Together we mixed up all the ingredients and watched as it turned yellow and blue. After we made the Play-Doh, we had the chance to mix a little blue and a little yellow to make green!

Miss Bonnie joined us this week for Art Class! We had fun learning about color wheels and how to mix colors to make new colors! We painted with red and yellow, then mixed them together to make orange! We are excited for our next class to finish up our color wheel!

Throughout the week we had fun exploring in our color sensory bin, building legos, sorting color counters, cooking in the kitchen and painting. During our gross motor time, we had fun making the room colorful by using the parachute to bounce tissue paper all over the room! During our outside time we had fun using the parachute to make the balls fly all over the playground and then organizing them into their color baskets.

Looking Ahead

October 9th
Fire Department Visit

October 14th
Columbus Day
No School

October 25th
Farm Field Trip
No After School

October 31st
Halloween Party
No After School

Next Week

We will be doing review.
