Week of December 30th to January 3rd

What We're Learning

News From the Nest

This week at school we talked about the changing seasons and the winter weather. We discussed how the temperatures are getting colder, its not as sunny out, and the snow!

During our fine motor craft time we made snowmen, snowflakes, and a winter tree that we finger painted.

On Tuesday, Mr. Ed invited us over to celebrate New Year's Eve with our very own balloon drop! The kiddos had so much fun! After the ballon drop, we had a dance party with Mr. Ed's LED lights. It was a great afternoon!

Our letter of the week was "J". Thursday, we decorated the letter with jewels! Each day of the week during our second circle, we talked about the sound the letter makes. We also made a list of words that begin with this letter.

Stories this week included:

There Was an Old Lady Who Swallowed Some Snow!, Snow Day!, The Snowy Day, Little Snowflake, and Winter Things.

Next week we will be talking more about the winter weather and what we wear in the wintertime (boots, hats, scarves, gloves, etc.). Our letter of the week will be "K". When it is your child's show & share day, they can bring in something that begins with this letter.

Reminders

As the weather is getting colder, please remember to send in with your child a jacket, hats, gloves, and boots (if you would like) for when we go outside. You may also want to send in a sweatshirt as it can get chilly in the building.
