

Hoots & Hollers

Week of September 11th to September 15th

What We're Learning

News From the Nest

This week at school we continued learning all about our classroom. We are so proud of how hard all of our kiddos are working! Everyone does such a great job walking in quiet lines while in the hallway, sitting at circle time, listening to each other, and singing all of the new songs we are teaching them!

During circle time this week we began talking about the calendar. We learned three new songs that we will use every day when talking about the calendar: "Days of the Week", "The Months of the Year", and "I Can Count to Ten."

On Monday, Miss Katie came into our class, and we had music! The kiddos had so much fun playing with bubbles, dancing, and singing with her!

During our Social Skills time on Wednesday, Miss Fran came into our classroom to help us talk about our feelings. We sang a song about how it looks when we feel angry, sad, happy, etc. We also learned a cool, new technique about what to do when we are feeling sad or angry. We have sent the steps home for this if you would like to try and do this with your child at home as well.

To end our week, Miss Kayla came into our classroom for some gross motor fun! We tumbled, danced, rolled, and shook our way through our very first acro class!

Some of the stories we read this week were: [Night Before Preschool](#), [Llama Llama Misses Mama](#), [I'm a Dirty Dinosaur](#), [Bear Counts](#), [How Do Dinosaurs Show Good Manners](#), and [How Do Dinosaurs Go to School](#).

Next week we will begin learning how to use the tools in our classroom. These will include glue sticks, liquid glue, scissors, and paintbrushes!

Don't forget: Show & Share starts on Monday! For the first few weeks, your child may bring in any item (that fits in their backpacks) when it is their show & share day.

Upcoming Events

Friday, September 29th
School Picture Day
(More Information to Come Home Soon)

Friday, September 29th
Field Trip Permission Slips Due

Friday, October 6th
Kelkenberg Farm Field Trip

Reminders

If you would like to send in a sweatshirt with your child to keep at school in case they get cold, you may do
