# Mr. Ed's Awesome News!

## This Week

We had an incredible week learning about the letter "I". Throughout the week we practiced making the letter 'I' sound by sorting pictures in our sound box and reading the story My Letter 'I' Sound Box. Throughout the week we listened to our letter 'I' poem and laughed along with the Sesame Street Letter 'I' Podcast.

This week we began learning about the 4 seasons: winter, spring, summer, and fall. Throughout the week we read stories about each of the seasons and talked about their differences. We learned many songs about the seasons and learned that they will always go in the same cycle.

During circle time we this week we learned about bears. We learned that bears hibernate (sleep for a long time) in the winter and wake back up in the spring. We had fun reading about Corduroy, Paddington and Going on a Bear Hunt. During our craft time we had the chance to make our own Corduroy puppet and a map to take while we went on a bear hunt. This week during lunch time we set up a Teddy Bear Picnic in our classroom. Before we ate lunch we read Teddy Bear Picnic and The Bear Went Over the Mountain and laughed along as each of our friends had the chance to take the bear over the mountain and tell us what silly thing they saw.

On Wednesday we celebrated Veterans Day by coloring pictures to send to service men and women overseas.
