What We're Learning

News From the Nest

What an amazing first week of preschool we have had! This week at school was all about learning the rules and routines of the classroom, getting to know our friends, sharing with each other, and exploring all of the fun new toys within our room.

Everyone is doing such a great job following our classroom rules, playing in their centers, and getting along with our friends.

This week we learned several new songs, including our "Good Morning" song, "Are You Criss Cross", and "All Day Long". We will be singing these songs everyday in our classroom for the duration of the school year. We also sang and danced to some silly songs: "The Goldfish Song", "Shake Your Sillies Out", and "S-T-O-P".

Some of the stories we read this week were: The Kissing Hand, Mama Llama Misses Mama, Time for School, Mouse, Ways to Welcome, Mama Llama Time to Share, and Chrysanthemum.

During center time we played in our kitchen center, vet/doctor center, with trains and cars, built with legos, made play-doh creations, and used magnet tiles and squares! Our favorite center this week was our sensory table which was filled with red and blue pasta (Let's Go Buffalo!), magnet numbers and letters, spoons, and cups.

With the beautiful weather, we were able to play outside all week long. The kiddos love being on the playground and running around outside.

Next week we will continue learning and going over the rules and routines of the classroom. We will also be learning about our friends and getting to know each other better.
