

# Hoots & Hollers

Week of September 18<sup>th</sup> to September 22<sup>nd</sup>

## What We're Learning

### News From the Nest

This week at school we began learning about all of the fun tools in our classroom that we can use for crafts.

On Monday, we learned a new phrase: "Dot, dot, not a lot". This phrase helps remind our kiddos that when using liquid glue, we do not always need a lot of glue, that we can complete our craft with just small dots. They did a very good job at this!

On Tuesday, we used glue sticks. We practiced waking up "Mr. Glue", by pulling off his cap and twisting him up (just a little bit, not too much). Once we did that, they covered up black dots on their papers and stuck different colored circles to it. Everyone was so careful while doing this project. It was great seeing how hard they all worked!

During our free time on Wednesday, Miss Ilia came in with Charlotte to play with us. She loves being taken care of and pampered in our vet center. We also got to paint back to school pictures with our new watercolor paints!

We have been loving all of this beautiful September weather! We've been getting out on the playground a lot and the kids love it!

Next week we will be talking about how special we are, our friends, and sharing together.

You may bring in any item of your child's choosing again for show & share next week.

### Upcoming Events

Friday, September 29<sup>th</sup>

School Picture Day

(More Information to Come Home Soon)

Friday, September 29<sup>th</sup>

Field Trip Permission Slips Due

Friday, October 6<sup>th</sup>

Kelkenberg Farm Field Trip

NO AFTER SCHOOL

Monday, October 9<sup>th</sup>

Columbus Day, NO SCHOOL

### Reminders

If you would like to send in a sweatshirt with your child to keep at school in case they get cold, please do so.
