

Hoots & Hollers

Week of September 5th to 8th

What We're Learning

News From the Nest

We have just completed our first week at school and what a busy one it was! All week long we have been working hard at learning the rules and routines of our classroom, learning new ways to say hello to our friends, and practicing our friends' names. It has been such a great week for all of our kiddos!

During circle time this week, we sang songs about our colors and counting, as well as danced to some new songs that are teaching us how to listen and follow directions all while being super silly! It was great seeing everyone laugh and smile and have so much fun!

We introduced several new centers this week in our classroom, including a fun, Bills-themed sensory bin, play-doh, magnets, straws and connectors, the kitchen, and vet center!

Some of the stories we read this week were: Rosie's First Day of Preschool, Off to Preschool, The Kissing Hand, Suri Spider Selects a Solution, and Tucker Turtle Takes Time to Tuck and Think.

Next week we will continue learning all about our friends, adding more songs and concepts to our two circle times, and continue practicing the rules of the classroom.

Upcoming Events

Friday, September 29th

School Picture Day

(More Information to Come Home Soon)

Reminders

Please remember to turn in all forms for your child that went home both over the summer as well as from parent night.

If you would like to send in a sweatshirt with your child to keep at school in case they get cold, you may do so.
