

September 9th-13th

Pre-K 4 Awesome News!

This Week

We had an amazing week learning about letters and numbers. During Circle Time we had the chance to read Chicka Chicka Boom Boom and Chicka Chicka 123. Both stories taught about letters and numbers and the correct order they go in. We even had fun learning a new ABC dance song to help us recognize the letters while using our bodies! During craft time, kiddos were able to make their own coconut tree full of letters and an apple tree full of number!

This week Miss Fran came in for our Social Skills class. Miss Fran taught us all about how to be nice kind friends! We even learned a new friendship song called "Friends" by Greg and Steve. After we sang our song, we were able to make 2 bracelets, one to keep and one to share with a friend. We had a blast playing musical chairs to see which friend we were going to share our bracelet with.

During our story times this week we learned all about sharing and being kind to our friends. The kiddos are doing a great job using these skills during their play times throughout the day!

Throughout the week we had fun playing kitchen, building with blocks, exploring in our duck sensory table and playing playdoh. During our outside time this week we learned new parachute songs and how to play duck duck goose.

Looking Ahead

9/23-9/27
Color Week!

9/27
Picture Day

Next Week

We will be learning about shapes.
