

Hoots & Hollers

Week of October 10th to October 13th

What We're Learning

News From the Nest

This week at school we talked about fire safety. Each day at circle time we practiced saying the phone number that we should dial if there is ever an emergency or we are in trouble. The kiddos did a great job remembering the number 9-1-1! We also learned two new songs that we really loved (you can find the links in your email)! The songs were: "Hurry, Hurry, Drive the Fire Truck" and "Here Comes the Fire Truck".

On Wednesday, Miss Ilia came in during our free play time and all of our friends gave Charlotte a nice checkup in our vet center!

For Social Skills class on Wednesday, Miss Fran came in and brought a red fire truck for us to ride on so that we could pretend we were firefighters. It was so much fun!

Miss Kayla visited our classroom on Thursday to sing, dance, and play with us! Everyone is really perfecting their tumbles and rolls.

We added a new center this week: playing pretend with fire trucks, fire men characters, and firehouses.

Some of the crafts this week we made included: sponge painting a flame, making a t-shirt to help us remember to "Stop, Drop, & Roll", and decorating the numbers, "9-1-1".

Next week we will talk about the changing weather and the fall season.

Your child may bring in any item they would like for Show & Share.

Upcoming Events

Wednesday, October 18th

Book Orders Due

Tuesday, October 31st

Halloween Party

1:30-2:45
