

Hoots & Hollers

Week of September 9th to September 13th

What We're Learning

News From the Nest

This week at school we continued learning about the rules and routines of our classroom. We also learned all the ways we can be good friends. During circle time we talked about how with sharing, taking turns and using kind words and hands, we can be a good friend to one another.

Each day we are adding new songs and learning different parts of how our day will go. This week we learned how to do calendar time. Starting with the day of week, moving on to the month of the year, and then discussing what number day it was and year, we went over each piece. The kiddos also learned songs to go along with each part of circle. Everyone did such a great job learning these songs! Next week we will begin having classroom jobs-the kiddos are so excited!

We are taking advantage of all of these warm, fall days and getting outside as much as we can! The rock wall is definitely a favorite on the playground.

On Thursday, we met Miss Kayla and had our first acro class. Miss Kayla helped to teach us how to do log rolls and somersaults. She also sang and danced to "Chicken Dance", "Baby Shark", and "Animal Dance" from Cocomelon.

As a special activity, on Thursday, we all made a rainbow fruit skewer snack. The kiddos all loved and enjoyed this activity so much. As we placed our fruit on the skewer, we practiced saying all the names of the colors the fruits were. When we were finished, we ate them all up-they were so yummy!

Upcoming Events

Monday, September 16th
Book Orders Due

Friday, September 27th
Picture Day

Reminders

If you have not done so already, please remember to bring in any forms that need to be signed, as well as your child's extra set of clothes and/or art smock. Please make sure all items are clearly labeled.
