

Hoots & Hollers

Week of 16th to October 20th

What We're Learning

News From the Nest

This week at school we began talking about the changing weather and the new season: fall. Each day at circle we talked about what the temperature feels like (getting colder), what it looks like outside (the leaves changing, the flowers going away, some leaves falling on the ground, etc), and all of the beautiful colors we see.

On Monday, Miss Katie came in for music class. She began teaching us some fun, new songs about apples, pumpkins, and Halloween!

On Thursday, we got to meet Miss Bonnie during art class! We had so much fun making art with her. All of our projects that we make with Miss Bonnie will be saved for our school Art Show in the spring. We also got to dance and do acro with Miss Kayla. It was a very busy, but fun day!

On Friday, Miss Carly came over from the library and read us several Halloween stories. She brought a really cool Halloween craft that we got to hang up in the classroom!

Some of the stories we read included: Crayola Fall Colors, One Windy Day, The Leaf Thief, Fall Leaves, When the Leaf Blew In, and Peppa's Windy Fall Day.

During our fine motor center time, we made fall leaf wreaths, leaf hedgehogs, fall trees, and scarecrows!

Next week we will be talking about apples and pumpkins. We will get to carve pumpkins and paint them in class!

Upcoming Events

Tuesday, October 31st
Halloween Party
1:30-2:45
NO AFTER SCHOOL

Friday, November 10th
Veterans Day Holiday
NO SCHOOL

Reminders

When sending in items for Show & Share, please remember to label everything with your child's name.
