

Pre-K 2 Newsletter

April 2nd – 5th

We had an awesome week!

This week we started talking about spring! We learned that it rains a lot and there are different insects that start coming out in the spring.

For our fine motor crafts, we made umbrellas, rainbows, and worms. The kiddos did a great job! We also had a blast digging for worms in our sensory table.

On Tuesday, Miss Fran came in for Social Skills. The kiddos enjoyed listening to her read Itsy-Bitsy Spider. We also had fun playing with all her stuffed bugs. She had a caterpillar, spider, beetle and a fly. Everyone did a great job taking turns and using their manners!

On Friday, Miss Carly came by to read and make a dinosaur craft with us. We always love when she comes to visit.

Some of the stories we read this week were:

Let it Rain, Rainbow Colors, Worm, Hope is a Rainbow, and Rain Rain Go Away.

This month we will be learning about the color yellow, and the oval shape.
