Pre-K Awesome News!

This Week

We had a very wacky week learning all about the letters "V" and "W". Throughout the week we read My "V" Sound Box and My "W" Sound Box, watched the Sesame Street Podcast for both letters and sang along to our letter song poems. This week we also learned about the number 9.

Throughout the week we celebrated Dr. Seuss by reading many of his stories. We read The Cat in The Hat, Put Me in the Zoo, Horton Hears a Who, There's a Wocket in My Pocket and many others. During our craft time we had fun making our own Cat in the Hat, our own spot animal for the zoo, and our very own Wocket to keep in our pockets! During our Snacktivity time, we worked together to mix Green Eggs and Ham! We had fun cooking together and then getting to taste our creation!

This week we also began learning about community helpers. Throughout the week we had the chance to play in our new grocery store, give a check up to Rocky and Jazz at the vet station, build towns with magnets, and put together some tricky community helper puzzles. This week Postmaster Josh from the Grand Island Post Office came in to teach us what it is like to work at the Post Office. After we learned about all the things we could mail we had the chance to go outside and see his mail truck...and even go INSIDE!!
