

News From The Twos

January

What we're learning...

This week we reviewed all the colors and shapes we learned during the first half of the school year! We did stamp painting with balloons, toilet paper rolls and oranges!

The entire school also had a New Years Eve party! We wore party hats and did a count down that ended with a balloon drop! It was so much fun!

Miss Kayla came on Thursday to dance with us. We practiced our tumbling and log rolls on both Thursday and Friday!

Important Dates

January 20th-**NO SCHOOL**
Martin Luther King Jr. Day

Classroom Reminders

Registration forms for next year are due back by **January 31st**.

We have noticed that a lot of kiddos are bringing in books for show and share. We love reading and do read a lot during the day. Unfortunately, we do not have time to read all the books during our show and share time. Going forward please send in a toy or item that the kids can pass around, play with or touch.
