Week of November 27th to December 1st

What We're Learning

News From the Nest

This week at school we began talking about the once again changing of the seasons. It was as if Mother Nature heard us talking about her this week and it magically began to snow! The kiddos were all so excited as we talked about the cold weather, blowing snow, making snowmen, and doing lots of fun wintry things, that it was all unfolding in front of their eyes!

Some of the stories we read this week included: I See Winter, One Mitten, The Winter Tree, Snowball, and Eloise and the Snowman.

During our fine motor craft time, we made snowmen out of coffee filters, winter trees that we fingerpainted, and we even got to paint with ice cubes!

Moving along in our study of the alphabet, this week we worked on the letter "D". We talked about the sound that the letter makes, things that start with the letter, and even read a silly story about a detective dog who was looking for her favorite donuts.

Next week we will begin talking about Hanukkah. Our letter of the week will be "E". When it is your child's show & share day, please have them bring in something that begins with this letter.

If you have not yet returned your field trip permission slip, please remember to do so as soon as possible. We are really looking forward to going to see Santa!
