Week of April 15th to April 19th

What We're Learning

News From the Nest

This week at school we began talking about fairy tales, dragons, and make believe. Each day at school we compared the elements in a story that were real vs. the ones that were make believe or pretend.

On Monday, Miss Katie visited our classroom to sing and dance with us. She knew that we learned all about dinosaurs last week, so she brought with her several new songs about dinosaurs. Miss Katie even brought her stuffed dinosaur eggs that hatched as we sang the songs. They were so excited when a baby dinosaur popped out!

Some of our fine motor crafts this week included: making crowns out of shapes and beautiful jewels, a castle, and a fire-breathing dragon!

Our favorite new center this week was definitely the dress up bin! The kiddos loved getting to pretend they were super heroes, princesses, kings, and other fun characters!

Some of the books we read this week were: Tangled, Beauty and the Beast, Three Little Unicorns, and There Was an Old Lady Who Swallowed a Dragon.

Next week we will continue talking about dragons, fairy tales, and make believe. Our letter of the week will be "U". When it is your child's show & share day, please have them bring in an item that begins with this letter.
