Mr. Ed's Awesome News!

This Week

We had a fantastic week learning about the letter F. This week we read the Letter F Sound Box and sorted our own sound box that was filled with pictures of things that started with F. During circle time we practiced writing and building the letter F with our wooden sticks, watched the Sesame Street F Podcast and sang along to our F song.

This week we learned about many animals that we could find on the farm. Throughout the week we talked about sheep, cows, chickens, pigs, horses and roosters. During circle time we enjoyed singing along to Down on Grandpa's Farm, Old MacDonald, and The Farmer in the Dell. During our story time we read: Down on the Farm, The Best Bottom, Cock-A-Doodle-POOO!, Wonky Donkey, and many other stories that taught us about animals on the farm.

This week we also learned more about fire safety. We loved singing along to our 9-1-1 Fire Safety song, where we learned about not touching hot things and calling 9-1-1 if there is an emergency. Throughout the week we learned to Stop, Drop, and Roll and to "Get out and stay out" if there is a fire.

During center time we had fun playing in our farm center pretending to be all the animals, finding baby animals in our corn/hay bin, reading books in the library, building with the blocks and cooking food in the kitchen!
