

October 23rd-27th

Mr. Ed's Awesome News!

This Week

We a hauntingly good time learning about the letter 'H' this week. Throughout the week we read The Letter H Sound Box and sorted our pictures in our own sound box. During circle time we practiced writing the letter 'H', making the letter 'H' sound, sang along to our 'H' poem, and watched our Sesame Street Letter 'H' Podcast.

This week we learned more about Halloween. Throughout the week we talked about spooky things we may see; witches, vampires and monsters. During Circle time we read many stories about each creature including Room on a Broom and Go Away! Big Green Monster. During our movement time we had fun dancing along to "Looking for Dracula" and "The Little Old Lady Who Wasn't Afraid of Anything". The kiddos are doing a fantastic job at retelling the order of events in our stories and songs!

This week in Art class, Miss Bonnie taught us how to mix more colors! We used yellow and blue to make green for our sunflower stems and used red and blue to make a dark purple night sky to mount our sunflower on.

Throughout the week had fun making witch potions, dressing up in our Halloween center, building with Legos, reading stories in the library, and cooking some yummy food in our kitchen center!

Looking Ahead

October 31st
Halloween
Party
NO AFTER
SCHOOL

November 10th
Veteran's Day
Holiday
NO SCHOOL

Next Week

Next week we will be learning about Halloween and doing some review.
