

Hoots & Hollers

Week of October 2nd to October 6th

What We're Learning

News From the Nest

This week at school we talked about the farm! Each day at circle, we learned about different animals on the farm, the people on a farm, machines on a farm, and fruits/veggies we would find on the farm. We went around the carpet and listed all of the things we "hoped" we would see when we got there. Next week, we will take a look back at our list and see if we got to see everything we wanted to!

On Wednesday, Miss Ilia came to play with Charlotte. She loves playing with all of our friends!

Some of the stories we read this week were: Cows Say Meow, Funny Farm, I Want to Be a Farmer, My Farm Friends, The Cow Loves Cookies, and The Farmer's Away! Baa! Neigh!

Throughout the week we practiced singing the songs, "Old MacDonald Had a Farm" and "The Wheels on the Bus".

On Thursday, the Grand Island Fire Department stopped by with some fire trucks to help teach us about fire safety. The kiddos loved seeing and exploring the fire trucks as well as getting to check out all of the cool equipment that the firefighters brought.

To end our week, we went to the farm! We had such a blast walking around and checking out all of the different kinds of animals, milking the goats, riding the horses, and picking out pumpkins!

Next week we will be learning about fire safety. Your child may bring in any item for show & share that you would like.

Upcoming Events

Monday, October 9th
Columbus Day, NO SCHOOL

Reminders

When sending in items for Show & Share, please remember to label everything with your child's name.
