

October 28th - November 1st

Pre-K 4 Awesome News!

This Week

We had a hauntingly good week! This week we learned about the letter 'H' and the sound that it makes. Throughout the week we sang along with the Storybots, read My 'h' Sound Box, sorted pictures that started with 'H' and watched the Sesame Street Letter 'H' podcast!

This week we learned more about Halloween! During circle time, we read books about witches and sang songs about spiders! Our favorite story this week was Room on the Broom. After we read the story, we practiced retelling the story during centers using our felt board and story props. On Wednesday, we had the chance to be real witches! We used crushed up bones (baking soda) and stinky witch brew (vinegar) to make potions by mixing all the different colors together.

On Monday, Miss Katie came in for Music Class. We had fun singing and dancing to all her spooky Halloween songs. Our favorite story song was There was an Old Lady Who Wasn't Afraid of Anything.

During our center time we had fun dressing up in Halloween costumes, searching through the sensory bin, reading books in the library, trick-or-treating with our little people haunted house, and building with Legos.

On Thursday we celebrated Halloween! We had a blast getting dressed up in our costumes and having a parade and trunk-or-treating in the parking lot. When we came back inside, we enjoyed a witchy brew of sherbert and 7-up, monster cereal and a spooktacular dance party. Thank you to everyone who came out to decorate their trunk and helped out during our party!

Looking Ahead

November 11th
Veterans Day
No School

November 27th
No After School

November 28th
Thanksgiving
No School

November 29th
No School

Next Week

We will be learning about seasons.
