

Hoots & Hollers

Week of January 13th to January 17th

What We're Learning

News From the Nest

This week at school we learned all about arctic animals. We discussed that while some animals love the cold and snow, other animals do not, and they go to sleep (hibernate) in the winter. We sang a fun, new song called, "Hibernation" that the kiddos loved.

Some of our fine motor crafts included making a polar bear, a penguin, and an arctic fox.

During Music class on Monday, we played toss with snowballs. We even got to put snowballs on a parachute while we sang with Miss Katie!

On Tuesday, Miss Carly made a special visit to our classroom. She read several wintery stories about arctic animals, the snow, and snowmen! We also made a fun snowman craft.

Our letter of the week was "L". On Monday, we made lamps out of our letter of the week. Students glued their letters to their paper, then decorated a lamp shade to go on top to make it look like a real lamp! We also decorate a letter "L" paper with pieces of lace. During our second circle, we talked about the sound the letter makes as well as learned two new songs about the letter.

Stories this week included:

Polar Bear Facts, Polar Bear Paddle, Polar Bear Hug, The Snow Tree, Tacky the Penguin, and Best in Snow.

Next week we will be learning about arctic animals. Our letter of the week will be "M". When it is your child's show & share day, they can bring in something that begins with this letter.

Upcoming Events

Monday, January 20th
Martin Luther King Jr. Day, NO SCHOOL

Friday, January 24th
NO AFTER SCHOOL

Friday, January 31st
Hawaiian Day

Wednesday, February 5th
100th Day of School
Open House, 6-7pm
NO AFTER SCHOOL

Friday, February 7th
Aquarium Field Trip
WE WILL HAVE AFTER SCHOOL

Reminders

As the weather is getting colder, please remember to send in with your child a jacket, hats, gloves, and boots (if you would like) for when we go outside. You may also want to send in a sweatshirt as it can get chilly in the building.
