April 8<sup>th</sup> – 12<sup>th</sup>

## We had a great week!

This week we started learning about fairytales!

One of the fairytales we talked about was The Three Little Pigs. We learned that taking our time and doing something the right way pays off in the end.

For craft time, we made the Big Bad Wolf, toilet paper roll pigs, each little pig's house, and paper bag puppets for the kiddos to retell the story.

On Thursday, Miss Kayla came in for Acro. The kiddos had fun dancing and singing to all our favorite songs. We also did a great job practicing our tumbles. We even got a stamp for being such good listeners!

Some of the stories we read this week were:

The Three Little Pigs, Huff & Puff, The Three Little Pigs and the Some What Bad Wolf, Jack and the Beanstalk, and Little Red Riding Hood.

This month we will be learning about the color yellow, and the oval shape.
