What We're Learning

News From the Nest

This week at school we learned about the great and wonderful Dr. Seuss! Each day of the week we read a different silly story written by Dr. Seuss. We also learned a couple of new, fun songs that I will attach to the email this week so you can all listen to it!

On Monday, Miss Katie came in to sing, dance, and play with bubbles during Music class.

To help us learn more about Community Helpers, on Tuesday, Mr. Josh from the Grand Island Post Office came in and talked about how we can mail and send just about anything to anywhere in the world that we want! He also taught us that in order to be safe, we should never get too close to a mail truck because they might not see us. We should always wait for the mailman to come to us. When Mr. Josh was done with his presentation, we even got to go inside his mail truck!

On Wednesday during free time, Miss Ilia came in with Charlotte. The kiddos loved having her in our Play-Doh center this week. They made a huge pretend Play-Doh breakfast for everyone.

Next week we will focus more on Community Helpers. We will not be learning a new letter next week, we will just be reviewing some of the ones we have already learned. For show & share, your child may bring in any item they would like.
