## We had an awesome first week!

The first week of school flew by! We've been very busy making new friends and learning our daily routines. The kiddos are doing a great job learning this and we will continue to work on it as time goes on.

In centers this week, we had lots of fun playing with legos, trains, blocks, kitchen and dramatic play. The kiddos had fun exploring all the different centers while learning to share with their new friends.

We also enjoyed coloring, playing play doh and exploring for hidden dinosaurs under the sand in our sensory table.

During circle time we practiced sitting crisscross applesauce. We also sang and danced to different songs including:

"We are the Dinosaurs", "Shake your Sillies Out", "Head Shoulders, Knees, and Toes", "Wheels on the Bus", and "If You're Happy and You Know It".

On Friday, Miss Carly came to visit from the Grand Island Library. The kiddos did a great job sitting and listening to all the stories. We also had fun putting together a cute owl craft she brought in for us.

Some of the stories we read this week were How Dinosaurs Go to School, When You Take a Mouse to School, Dancing Dinos Go to School, Sharing Time, Pete the Cat Rocking in My School Shoes, and Dino Goes Potty

This month we will be learning about the color red and the circle shape.
