

October 2nd-6th

Mr. Ed's Awesome News!

This Week

We had a lovely week learning about the letter L. This week we read the story Letter L Sound Box. In the story the little boy filled his box with lot of things that started with L; lions, lizards, lollipops and leaves. Throughout the week we explored our own letter L sound box, sang along to our L song, watched the Sesame Street Letter L Podcast, and practiced writing L.

This week we began talking about the farm. Throughout the week we explored different foods we may find on the farm. During circle time we talked about apples, corn and pumpkins. During our snack time we had the chance to make apple donuts by coring apples, slicing them and decorating them with Sunbutter, marshmallows, graham cracker crumbs and M&Ms. On corn day we taste tested three different types of popcorn; microwave, air pop and Jiffy pop. During center time we had fun exploring in our new farm center, scooping popcorn in the sensory table, and finding baby animals in our corn bin!

This week we had a visit from the Grand Island Fire Department! We had fun hearing about all the things fire fighters do to help us and keep us safe. During our visit we had the chance to climb inside the fire truck, see all the fire fighters' tools and even spray the hose!

On Friday we had a blast at Kelkenberg Farm seeing all the animals, riding ponies, and exploring the pumpkin patch and even picking our own pumpkin!

Looking Ahead

October 9th
NO SCHOOL

October 31st
Halloween
Party
NO AFTER
SCHOOL

Next Week

Next week we will be learning about farm animals.
