Week of September 25th to September 29th

What We're Learning

News From the Nest

All week long at school we talked about how special we are! We talked about how we have some of the same interests, but some are also different, and that's ok, too! We also discussed the things about ourselves that we love the most. It was great listening to all of the answers from everyone!

On Monday, Miss Katie came into our classroom and we began singing songs about fall, the farm, and fire trucks. Our favorite time with Miss Katie is when she brings in the bubbles and we get to pop them with our birdie beaks!

During Social Skills on Wednesday, Miss Fran came in and taught us a new song about how each of our friends are different and special. We also played a fun game with her!

On Thursday, Miss Kayla came in and we rolled, tumbled, danced, and laughed! We love Miss Kayla's animal rap song the best!

Next week we will be talking all about the farm in anticipation of our upcoming field trip next Friday!

For Show & Share, your child may bring in any item of their choosing when it is their appointed day.
