

October 7th-11th

Pre-K 4 Awesome News!

This Week

We had a lovely week learning about the letter 'L'. Throughout the week we practiced making the letter 'L' sound by sorting pictures from the Mystery Box, singing along with the StoryBots, and watching the Sesame Street 'L' Podcast. The kiddos did a great job writing 'L' this week!

This week during circle time, we learned all about foods we can get from the farm. Our focus was on apples, pumpkins and corn. Throughout the week we had the chance to make our own apple sauce to eat with lunch, scooped out the guts of a pumpkin and carved it into a jack-o-lantern, and had a popcorn tasting of air pop, microwave and cheese flavored popcorn!

This week was Fire Prevention Week. Throughout the week we learned all about how to be safe if there was ever a fire. We learned five important words to help us if there is ever a fire, "Get out and stay out". Once we are safe at our meeting place, then we can call 9-1-1 for help. On Wednesday, the Grand Island Fire Department came with their fire truck and taught us all about their important job. The kiddos had fun exploring all the tools the fire fighters use, going inside the fire truck and getting to spray the hose!

During center time we had fun exploring in our corn sensory table, pretending to be farmers in our farm center, and playing with our new fire house center. During center time everyone did an amazing job sharing and taking turns with there letter 'L' show and tell!

Looking Ahead

October 14th
Columbus Day
No School

October 25th
Farm Field Trip
No After School

October 31st
Halloween Party
No After School

Next Week

We will be learning about farm animals.

Letter Of The Week
